

Blautia faecis; 27629

Cat. No.: LBSX-0522-GF99

This product is for research use only and is not intended for diagnostic use.

PRODUCT INFORMATION

Product Overview *Blautia faecis* was isolated from human faeces.

Target *Blautia*

Genus *Blautia*

Strain Designation M25

Application Study and research

Type Strain Yes

Culture Medium Chocolate agar

Culture Conditions 37°C; Anaerobic

Source Human faeces, healthy Korean male

Risk Group 1

Genbank Accession Numbers 16S rRNA gene: HM626178

Product Format Freeze-dried

Packaging Ampoule tube

Storage -80°C

Shelf Life	6 years
